

Resetting Your Oracle Password

The image shows a sign-in interface for Oracle Applications Cloud. At the top left, there is a circular icon containing a blue cloud. To its right, the text "SIGN IN ORACLE APPLICATIONS CLOUD" is displayed in white on a blue background. Below this, the form includes a "User ID" input field, a "Password" input field, a "Forgot Password" link (highlighted with a red box), a blue "Sign In" button, and a language dropdown menu currently set to "English". A red callout bubble with the text "Click on forget password" points to the "Forgot Password" link.

SIGN IN ORACLE APPLICATION

Write your email ID

Forgot Password

- Forgot user name
- Forgot password

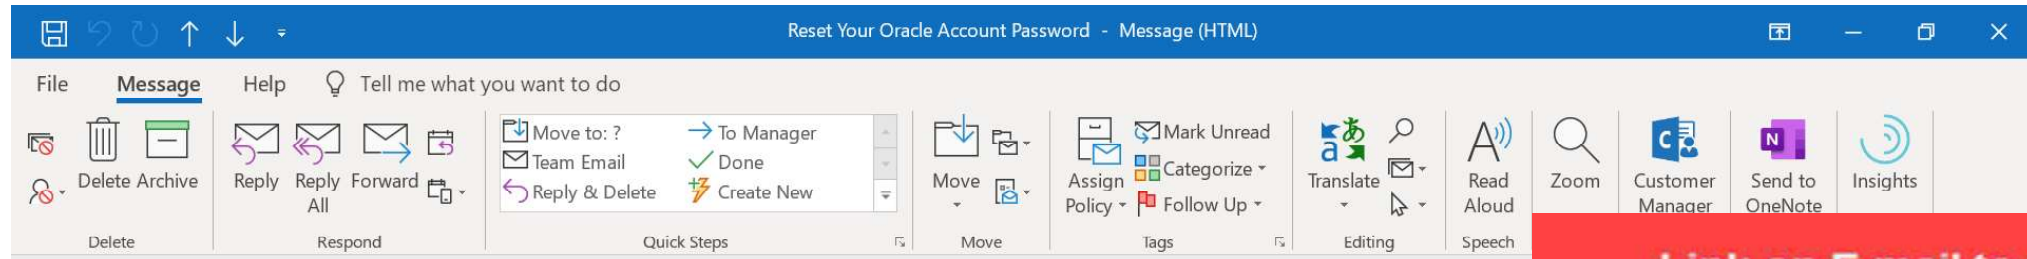

Choose the type of
action and submit

SIGN IN ORACLE APPLICATIONS CLOUD

Check your e-mail for password reset information. Ensure that you check your spam folders too.
